Dear Sir: Re: Installation of Four Seasons Solarium

Please accept our thanks and appreciation for coming to our rescue by installing the solarium which Sun Tech Custom Enclosures failed to deliver.

The solarium itself looks great, the quality appears excellent and I am sure that we will enjoy using it for years to come.

I must mention too, that dealing with your Victoria Office in co-ordinating the installation of the unit was most satisfying. Both Frank Skillings and Wendy Kenny, were pleasant, professional , understanding and addressed our concerns in a very positive way.

The construction of the solarium by Doug Rosten and his assistant Wes Ridge was completed without a hitch. Doug certainly displayed knowledge, experience, precision and thoroughness throughout the installation. It was a pleasure to see all the glass fitted into place without requiring even one adjustment.

You have a great team and I felt you would appreciate getting some feed back.

Should you wish to use our name in the future, as a reference regarding the solarium, we will gladly recommend your company and the product without any hesitation.

Yours truly,

Joe and Catherine Chilibeck.
